'SOLUTION PITCHING SESSION'

In conjunction with the month of Empowering Sustainable Development Through Renewable and Green Energy Solutions, University Malaya Centre of Innovation and Commercialization (UMCIC) organized UM Innovation Partnering Day. The event took place at the Seminar Room, IPPP Building. During the 'Solution Pitching Session', six UM researchers were required to pitch solutions for Automotive Industry based on their areas of expertise such as :

1. Energy Efficient Solutions (New metal-air batteries, hydrogen power)
2. Advanced Engineering (Sensors, heat exchange systems)
3. New Materials (Lubricant OR)

Researchers of AMMP Centre, Dr. Sayuti and Dr. Mahdi Sparham, acting as representatives of Prof. Dr. Mohd Hamdi Abd Shukor were invited as a presenters during the event.

WELCOME!

Practical student at Zecttron – 20 June 2016

AMMP Centre and Zecttron would like to welcome Nurul Amira binti Otsman that joined us as a practical student under Zecttron starting from 20th of June 2016. She is currently supervised under Zecttron engineer, Miss Yohana Akmal until 10th of October 2016. Nurul Amira is studying Mechanical Design in University Kuala Lumpur (MSI) and she is here to develop necessary practical skills to excel in professional environments and to enhance her soft skills.

ITEX 2016

12th May 2016 - The International Invention and Innovation Exhibition (ITEX 2016) was held at the Kuala Lumpur Convention Centre for 3 days starting from 12th May 2016 until 14th May 2016.

ITEX 2016 was organized by Malaysian Invention and Design Society (MINDS) and launched by Yang Berhormat

Datuk Seri Panglima Madius Tangau.

This year, Prof Dr. Mohd Hamdi, Prof Aly Daa Sarhan and Prof Ir Dr Ramesh's projects were chosen to represent University of Malaya. The exhibition featured thousand inventions by participants from about 20 countries including China, Germany, Hong Kong, In-

donesia, Iraq, Korea, Oman, Philippines, Poland, Russia, Saudi Arabia, USA, Malaysia, and others.

All of Prof Dr. Mohd Hamdi, Prof Aly Daa Sarhan and Prof Ir Dr Ramesh's projects won the gold award for their inventions. Congratulations!

AMMP STAFF FAREWELL

27th May 2016 - We would like to bid farewell to two of AMMP staffs, Marliana and Ashiha. Both of them have been working with AMMP Centre for more than 3 years and contributed in a lot of ways. Both of them left for better opportunities and new environments. We pray for their success in their future endeavors.

The AMMP Centre was established in 2002 with the aim of strengthening research activities in advanced manufacturing material processes. The AMMP bulletin is produced periodically. It is distributed among lecturers, student and staff of University Malaya. By following our monthly bulletin, you will be kept up to date with the latest AMMP Centre news and activities. For research enquiries, contact us at 03-79675242 or email us at ammp@um.edu.my
